## Directions to Bouman Law Firm

My office is located in the Broadway Proper office complex, about 1/4 mile west of the Broadway and Pantano intersection on the east side of Tucson. Broadway Proper consists of three cream-colored buildings (almost white) located on the south side of Broadway Boulevard, directly across the street from Lazy Boy Furniture and Home Depot stores, and just east of the Hilton East hotel and Culvers restaurant. The buildings are clearly marked as “7650-7670 East Broadway.” When approaching from Broadway, look for the sign that says “Broadway Proper.” If you really want to be prepared, there are additional photos of my office building on my website.

After entering the property from Broadway, turn right into the front parking lot. My office door is on the first floor of the building closest to Broadway, opening toward the street, and is located in the center of the building.

There is plenty of free parking available and the building is wheelchair-accessible. There are no stairs or obstructions to navigate on your way into the office. Public restrooms are available on the second floor inside the courtyard and near the elevators. You will need to borrow a key to access the restrooms.

If driving from northwest Tucson, I suggest taking Sunrise Drive or River Road eastbound to Craycroft Road. Drive southbound to Grant Road, then turn left. Drive eastbound on Grant Road, continue as it turns south to become Kolb Road. Continue on Kolb until you reach Broadway Blvd. Turn left and move to the right lane. Broadway Proper will be the first available right turn after you pass the Hilton hotel and the Pantano Wash.

If you have a scheduled appointment and the door is locked when you arrive, please wait until the scheduled time as I may be coming from another location without much time to spare. If I have not arrived by your scheduled appointment time, call 546-3558 to announce your arrival and determine the reason for my delay.
